

YOU WOULDN'T CLEAN A \$1,000 SUIT IN YOUR WASHING MACHINE...

1-800 DRYCARPET® service technicians bring our customers immediate dry, healthy and long lasting results. Our memorable brand serves as a constant reminder of who people should call when only genuine dry carpet cleaning will do. Wet carpet cleaning methods can leave soap residue in carpet - attracting soil and stains to come back. With Swedry® there is no soap and water left to dry in your carpet. So you don't have to worry about your carpet re-soiling or matting. **With our deep cleaning method, spots won't return and your carpet will be dry and ready to walk on.**

SO WHY CLEAN YOUR CARPET WITH A STEAM CLEANER.

1-800 DRYCARPET® the authentic DRY ORGANIC carpet cleaning service.
